

# **Browser, Operating System and PDF Viewer compatibility for the Download Voting Papers (DVP) Application**

## **Operating System**

The DVP application has been tested using the following Operating Systems:

- Windows 7
- Windows Vista
- Windows XP
- Apple Mac OSX 10.7
- Linux Ubuntu 11.04 (Natty Narwhal)

## **Web Browsers**

The DVP application has been tested using the following Web Browsers compatible with the Operating Systems above:

- Internet Explorer – 6, 7, 8, 9
- Mozilla Firefox 3, 5, 6, 7
- Safari 4, 5
- Opera 11
- Chrome 13, 14, 15

## **PDF Viewers**

To view and print your voting papers you will require a PDF viewer and printer, the DVP Application has been tested using the following PDF viewers on the compatible Operating Systems above:

- Adobe Acrobat Reader 8.2 or later
- Evince (Linux)
- Preview (Macintosh)

## **Known Issues**

- If you have trouble downloading your voting papers try right-clicking on the download link and selecting “Save As”.
- In some older versions of PDF viewers the voting papers may appear distorted but will still print correctly.
